

Erasmus+, online mobilnost v Sloveniji

Na začetku projekta smo se zelo veselili, da bomo maja 2020 gostitelji srečanja v Ljubljani.

Pripravljen smo imeli že ves program, navezali smo stike z MOL in STA, potem pa nam jo je zagodel virus, ki je v tistem času prinesel toliko negotovosti, da je bilo nemogoče načrtovati srečanja v živo.

Partnerji smo se skupaj odločili, da vse aktivnosti zamaknemo za eno leto. A žal se je na koncu izkazalo, da je najbolj optimalna rešitev, da opravimo mobilnost po spletu. Slovenija, Šiška, prvič online gostiteljica.

Ker smo se dogovorili za spletno gostovanje v začetku junija 2021, se je žal zgodilo, da je bilo veliko dijakov, ki so predtem sodelovali v projektu, zelo zasedenih z učenjem, zato smo del ekipe postavili na novo.

Imeli smo srečno roko, dijaki so se zelo izkazali in na koncu, kljub utrujenosti, smo bili tako mi kot naši partnerji zelo zadovoljni z izpeljavo.

Pogled v Slovenijo iz Romunije...

...pa še iz Španije

Takole pa je izgledalo pri gostiteljih v Šiški...busy, busy

Zelo smo se potrudili pripraviti program, ki bi vsem udeležencem čim bolj približal našo šolo, Ljubljano in Slovenijo, hkrati pa uresničil čim več ciljev, ki smo si jih zastavili v projektu.

Celotno srečanje smo posneli z zoom aplikacijo. Predstavljamo tudi naš program, seveda v angleščini, ki je bila naš uradni sporazumevalni jezik. Je pa res, da so se udeleženci naučili tudi nekaj slovenščine

- [Draft] Evaluation results

Below the sidebar is a grey 'Archive' section and a blue 'Create a page' button.

The main area is titled 'padlet' and has a green header bar with the text 'Barbara Kos + 1 1d'. Below the header, it says 'One thing I didn't know'.

A yellow box contains the text: 'Ljubljana is the most beautiful city in the world (Ljubljana's mayor)'.

Preverili smo, če so udeleženci dobro poslušali naše predstavitev

The screenshot shows a forum thread titled 'What did you find out about Ljubljana?'. The thread has one reply from a user named 'test'. The reply contains the text 'test'. The forum interface includes a sidebar with user icons labeled 'A' and 'M', and a search bar.

Potrudili smo se biti interaktivni

Naučili smo se pripraviti nahrbtni preden odidemo na El Camino

CS4E summer challenge

Ljubljana, Ljubljana, Slovenia https://www.ssts.si/

The purpose of this club is to challenge the students participating in the CS4E Erasmus to get physically fit in the next three months. Why?

1. To enable our immune system to rejuvenate after the lockdown.
2. To be healthy and physically active and to take up this kind of lifestyle for good.
3. To get fit enough for the final 8-day Camino challenge.

Tudi sladoled smo se naučili naročiti v slovenščini

Bili smo veseli, da smo se družili, bili smo zadovoljni z opravljenim delom, a prav vsi smo v evalvacijskem vprašalniku na koncu mobilnosti zapisalai, da bi se kljub vsemu raje srečali V ŽIVO.
